Michael Jacklin

Inner Space Outer Space

27 November - 27 December 2014

Opening Thursday 27 November 18.00 -21.00

Slewe Gallery is pleased to announce the opening of the exhibition *Inner Space Outer Space* with new sculptures by Dutch artist Michael Jacklin (*1956), an alumnus of De Ateliers. The exhibition opens during the Amsterdam Art Weekend on Thursday November 27 and runs until December 27.

Michael Jacklin, known for his man-sized grid sculptures, made of iron, will exhibit a new series of open iron constructions based on events in outer space, in which transparent spheres and circles of thin staff iron are hanging in each other or stacked on each other. A subtle play of lines and intervals occurs when you move around them.

Jacklin is one of the rare fundamental working sculptors of his generation. He focuses on the specific qualities of the material as well as on the sculptural principles such as mass, rhythm and gravity. Since 1984 he works exclusively with iron. His preference for this material derives from his fascination for iron constructions in architecture. Jacklin exhibits at Slewe Gallery on a regular base since 1995. In 2010 Slewe published a catalog with an overview of his work and a text by Maarten Bertheux. In 2002 he had an exhibition at the Stedelijk Museum Amsterdam and in 2000 he had a show at the Kunstvereniging Diepenheim. His works have been collected by several public and private collections. He has also done several public commissions in Rotterdam and Amstelveen. Jacklin lives and works in Amsterdam.

Slewe Gallery is regular open from Wednesday to Saturday from 1 to 6 pm and by appointment.

During the Amsterdam Art Weekend there are extended opening hours on Friday 28 and Saturday 29 November from 12 am to 8 pm and Sunday 30 November from 12 am to 6 pm.
